

## Riverhill Reporter

*April 2018*

---

Riverhill Membership,

As you can see, the construction and renovation to the new reclaimed water lake on hole #4 and the practice tee are well underway. The tree work is almost complete, and is scheduled to be finished by the end of March. We will be sodding the entire practice tee area on Monday, April 2<sup>nd</sup>, weather permitting. Our goal on completing the reclaimed storage lake is planned to be mid May. We will be refurbishing two tennis courts with completion dates by the end of April.

Hole #4 will be a great improvement for Riverhill. Not only will it enhance the beauty of that area and that hole, it brings great value to us all in helping secure a future for Riverhill Country Club.

Riverhill ownership will continue to better the Country Club for all members. Please continue to **support The Club's dining venues and events, and invite prospective members to The Club**. Should you have a friend or neighbor that may want to join The Club, call Bryan Hargrove **and he will set up a "Member for The Day"**. Growing our membership and increasing daily activity will greatly facilitate continued improvements.

Looking forward to a great Spring and seeing you all around The Club. Again, please continue

to invite potential members to Our Club and together let's continue to establish Riverhill as The Club to belong to and be a part of.

Riverhill Proud!

Membership Director

**It's that time of year again!! Riverhill Country Club's membership department will host a "MEMBER APPRECIATION DAY" on April 13<sup>th</sup> from 11:00 a.m. until 4:00 p.m. by the putting green. To show our appreciation, we will have sausage wraps, beer, and music under the tent. It's our way of saying "Thanks" for being the best membership any club could ask for.**

We have done many improvement projects around the club in last couple of years, but the most exciting project is almost completed. That is the pond on #4. That will bring that hole back to the way Mr. Nelson and Mr. Finger had originally designed.

The practice range tee is another area we are making improvements to. New turf and improved irrigation will aid in the recovery process during the playing season.

As you can see, we are constantly trying to provide our membership with a product they can be proud of. As our membership continues to grow, we will continue to make those improvements around the club.

As always,

I am **RIVERHILL PROUD!**

## Men's Golf Association (MGA)

We are through the first quarter of 2018 and I've discovered something very important. Apparently, someone has been forwarding the MGA calendar to Mother Nature. She takes careful note of the dates, and then pencils in cold, clouds, and wind for those days. Yes, Spring hath Sprung, but she still manages to dial up enough cool days and high winds to give us fits. With great trepidation, I give you the second quarter calendar below. **Please, don't share it with Mother Nature.**

We did finish March with our best turnout yet, with 27 players on March 22<sup>nd</sup>. **That's about one-fourth** of our membership, so we can still do better! Congratulations to Tim Locke, Ford Smith, and Chipper Logge for their find 129 in the 2-net shamble. **Has anyone else noted how often Chipper's name** appears at the top of the scoreboard?

One more note before I get to the calendar. You may have noticed that they are just about done **preparing a fine ball collection device on the fourth hole. I can't wait until it is fully finished and operational.** I figure that with a long pole and a net, I'll never have to buy golf balls again! Seriously, it is great to see John and the club investing in the club and particularly in much needed water resources.

**Here's the MGA calendar for the second quarter of 2018:**

## Riverhill Women's Golf Association

March play days felt cold to many of us, but the players were hearty, **and the games were fun.** Matt's ladies golf clinics were a hit! It is humbling to come off winter course conditions (and scores!) and we appreciate the boost.

The RWGA meeting scheduled for April 4<sup>th</sup> is cancelled as the course is hosting women's Stableford Interclub play. Stableford was originally scheduled for April 25<sup>th</sup>, so watch for Diana's message regarding regular RWGA play on that date.

**The RWGA President's Cup will be held Friday** and Saturday, May 11<sup>th</sup> and 12<sup>th</sup> with sign-up now open at the Pro Shop. The contest is eclectic, giving us two chances at every hole. The entry fee is part of your membership dues and lunch is included at the end of Saturday play, along with prizes. This one is a favorite so sign up now!

**Congratulations** to Carol Swanson and Linda Johnson who finished at the top of Flight Two in the Member/Member Tournament and tied for overall Champions, losing in a score card playoff! Lori Franks and Carol Powers finished second in the same flight, playing their Sunday round against the overall champions. Way to go ladies!
