July 2018

Riverhill Membership,

The month of June continued to be a very active month at Riverhill. Membership is growing at a fantastic rate. Bryan has done an exceptional job bringing some great new members into the Riverhill Family. The new members are listed in the reporter. If you get an opportunity, please introduce yourselves.

I want to thank all the members for being so supportive to changes that have been made this year whether out on the golf course or inside the offices. One change that has brought great excitement has been the change in our executive chef. You all have embraced Chef Blas and the compliments about the food and dining experiences are exciting to hear!

We are certainly proud to have Blas here and look forward to many great new dining experiences at The Club. Thanks to all of our members for supporting our dining programs, we've seen a big increase in dining numbers and excitement about eating at the club. The New Turning Point Menu has been well received and the Wednesday "Salad Bar" Buffet has been a hit. If you are one of those members that has missed dining here recently I invite you to come on out and then let me know afterwards how your dinner experience was! We want our members to choose the Club as their go to dining venue on Wednesday, Friday, and for Sunday Brunch! Make your reservations and enjoy the delicious menu items Chef Blas will be introducing.

Kevin Bartholomew is getting closer to making his permanent residence here at Riverhill. We look forward to him being here full time. During this transition, longtime golf course maintenance crew leaders, Ernie and Lazaro have done an outstanding job on the golf course. Many thanks to them and the crew for their great efforts.

I have had many questions on when the city's reclaimed water will be available to The Club. On our end, the Pump Station's delivery time is now July 9th. Currently the City's holding pond is being filled

up. We are hoping the project will be complete and usage will start in August, but be assured the process is moving forward for both parties.

As always, our goal is to continue providing a great product for each of our members. Don't forget to invite your friends to join The Club and be a part of the Riverhill Family. **Riverhill Proud!!**

The Texas Golf Association makes their annual return for the State Stableford Championship August 3rd – 5th. The course will be open at 12:30 off both tees each day.

August 20th the golf staff will be playing 100 holes. The golf staff is asking for your sponsorship to help pay the PGA education fees for Mark and DJ. The education is a 3 part process with each segment about \$2700 per person. Sponsorships can be by hole, by birdie or a flat amount, thank you in advance for your support and their education and making our golf staff stronger. To update you from last year Mark has been to Florida for his level 1 work and DJ has taken his player's ability test and is now able to enroll in the PGA.

As the summer heat wears on we would like to remind everyone of a few things for the health of the golf course and you:

- Please fix your ball mark and another while the greens are soft.
- Course maintenance will be watering greens each afternoon, if the flag is out of the hole please yield to them. We will also be running sprinklers on the fairway hot spots, play thru those sprinklers.
- Please pair up into the minimum number of carts per group for better playing conditions for everyone to enjoy.
- Drink plenty of water.

Reminder: The course is closed on Monday's and maintenance uses that time to do their chemical spraying. Please stay off the course as you do not know what has been sprayed earlier in the day. Thank you in advance for your cooperation.

West Texas Ladies head for the Hill Country

On Sunday June 3rd Riverhill Country Club played host to the Women's West Texas Golf Association's 83rd Annual Tournament. Sixty-Four women from the 'Wild West' headed to Kerrville to take on the mighty Byron Nelson Course at Riverhill. With clubs, hats and a myriad of golfing accoutrements they rode into town and settled here for seven days.

The WWTGA was founded in 1935 and originated at the Lubbock Country Club. The tournament is held at a different course every year and women across the region meet up to enjoy the fun, the fellowship and of course great golf.

The six-day tournament 'Themed on this occasion as 'Skills and Thrills in the Hills' is generally held in June and its location is rotated among the 'Host Club' members. After qualification the players are seeded and then the format becomes a Match Play Competition.

A brilliant round of 72 in the qualifier made certain that Marion Barker from Lubbock CC would win the Medalist Trophy with Riverhills' own Diane Henry winning the Senior Medalist with a superb 79.

As the 'Match Play' competition got under way in the blistering heat the ladies continued to make good scores resulting in exciting and close finishes. Adding to the excitement, Charlene Turner from Rawls CC, aced hole #2 for her first ever 'Hole in One'.

Marion Barker demonstrated her great form through each round and ultimately took the Championship beating Jennifer Hoyt in a hard-fought match 2&1. This was Marion's fourteenth title win.

Men's Golf Association (MGA)

June was a busy month for the MGA. On June 2, New MGA member Zach Martin fired an 84 to in the individual Gross/net event. Brick Gibson won the net with a 70 and Charlie Diggs captured third place with a net 71.

In the two net best ball competition on June 9. The team of Gordon Hongenen, Mike Henke and David Moir streaked to a total of 138 and won first place in a scorecard playoff over the team of Grant Ellis, Rich Dodds, and Bart McLaughlin. Finishing third at 141 was the team of Bob Fairchild, Jeff Wendling and John Kissick. Sir Richard Owen captured the closest-to-the pin contest on number 11.

On June 22, some members of the RWGA joined us for the second annual "Big Break" short game skills challenge. We had more than 30 players and Hut Smith placed first in the First Flight followed by two members of the golfing Howards, Jim and Larry.

In the Second Flight, Glenn "Lefty" Coggins placed first followed by Ron Evans and RWGA representative Diana Howard.

Congratulations to all winners.

Besides Zach Martin we had three other new members join the MGA in June. Ron Evans, Robert Schultz and Virgil Evans joined our ranks. If you see a stranger on the course, introduce yourself and welcome them.

The premier event in June is the Riverhill Cares tournament benefiting Peterson Health. Four person teams will tee off in this fundraising scramble on July 14.

The MGA also has an Individual Stableford event at 9:30 am on Saturday, July 7 and an Individual Gross/Net tournament at 1:00 pm on Thursday, July 19.

See you on the course.
