Las Vegas Pro-Am Tennis

We all had a great time in Las Vegas as usual. Some people won at the tables and others won on the tennis courts. Congratulations to Mark Hoffman (Riverhill) and Richard Beard(Pro from Colorado) for winning the Championship trophy defeating Garry Nadebaum and his wife Kimberly in a close finals match. It was a great tennis weekend with great friends and we look forward to having the Pro -Am Tennis event again next year, possibly 2 events.

Tennis Court Gazebos.

Thank to our member Ted and Julie O'Neal for donating the great tennis court gazebos that you see we have installed on the fences on courts 1 and 2. Ted was gracious enough to buy one of these for every court. We will install the others next spring which will add some shade for all our players while on the court during change overs. Thanks again from the Riverhill tennis players.

Cheers to Ted and Julie O'Neal
