EAT / PLAY / RELAX

Mrs. Finger, Ed Skillern, Joan McCollom at the members' Christmas party.

Dear Riverhill Membership,

Thank you all for another great year at Riverhill Country Club. The Club has consistently grown over the past three years in membership #'s and activity. The Riverhill Team is thankful for a wonderful membership that truly cares about the success of The Club.

In 2018, the team will focus on growing the membership and the member activities. We finished the year well with a strong event schedule. The events had high attendance and provided much enjoyment. The feedback was extremely positive. We will continue to set the bar high in all areas of The Club, providing the best product for our membership.

2017 was also a pivotal year concerning the positive future of The Club. With the City of Kerrville water deal finalized, Riverhill has the valuable asset of water and longevity as a golf course during potentially difficult times. The new pond on #4 will start as soon as the State of Texas approves on the engineered designs and the contractor is available to start the

project. The time it will take to complete the lake project from start to finish is estimated at 6 - 8 weeks, weather permitting. As we do each year, we will continue to make improvements to The Club. As we finalize our improvement plans for 2018, we will send out information to all the membership.

We are looking forward to a very successful 2018 and wish each of you that your New Years' will be filled with blessings, health and happiness!!

Sincerely & Riverhill Proud!

From the Desk of Bryan Hargrove
Membership Director

Hearts and Hands

It's time to introduce Hearts and Hands, a group of women who enjoy handwork and good company. The members bring stitching, knitting, crochet, hand sewing and are we looking for others who like to bead and craft with paper. One member started with her mending! The aim is to enjoy our hobby with friends, away from household distractions and uninterrupted.

Do you have an interest in handwork, maybe some embroidery or needlepoint sitting in a drawer and calling your name? Do you make prayer shawls or bind quilts, want to get started knitting or crocheting?

Then it's time to come by and get acquainted. We gather twice a month, the first and third Thursdays from nine to noon in the Mansion. There are no officers, no rules, no committees but there will be coffee!

The first gathering in January is coming up on Thursday, January 18th (skipping the first week this month) 9 – 12 in the Riverhill Mansion. Bring a friend or come alone and make a friend!

For more information contact Carol Powers at 719-322-1305, phone or text, or blonride@gmail.com.

The entry will be \$30 per player including prizes and appetizers, call the golf shop to sign-up.

This is a good time of year to look at your grips. Grips should be changed out once a year and twice a year for golfers playing twice a week or more. The golf shop has plenty of grips in stock and if there are special ones you would like we can order them for you. If you would like the golf staff to evaluate them for you just bring them by. Turnaround on grips is typically about a day.

As we move into the Spring the club companies will be releasing their new product. With that in mind we offer a trade-in program that allows you to return your old golf clubs and most GPS units for credit book and the credit can be used for merchandise purchases in the golf shop.

If you are a business owner and looking for logoed product we can order custom golf balls, shirts and hats for your business or for your tournament outing. Stop by so we can show you samples or help with the order. If anyone has a lead on a golf outing please contact the golf shop so we can help secure the event. These events are vital to the health of the club and we can provide golf, lodging and food and beverage.

Golf Tip of the Month:

With the cold weather this time of year and the new fitness center being open, now is the perfect time of year to get in there and work on your flexibility and conditioning.

Fairway Feats:

11-29-17 Dr. Don Jackson beats his age by 3 shooting an 80 from the gold tees.

Men's Golf Association (MGA)

Every so often I'll look down at the change just handed me by a store clerk and take notice of something special – a brand new shiny coppery penny. Yes, I know that pennies are not copper, nor of any real value, but just the sight of a brand new one can bring a smile to my face.

I guess that's how I look at a new year. At the end of twelve months, it will be dull, a little grimy, and scratched up. But for just a little bit, right at the beginning, it is all bright, shiny, and full of promise. Let's hold on to that image as long as possible.

Your bright shiny penny includes a new MGA board, with several new officers. Serving you for your golfing pleasure will be:

Greg Shrader, President

Larry Howard, Vice-President

Raymond Holloway, Treasurer & Counter of Our Pennies

Paul Urban, Secretary and Recorder of All Things Important

Niel Powers, Press Secretary for Life (how did that happen?)

Steve Ables

Phil DeMasco

Ken Ricks

Kyle Bond

Rick Perry

If these guys can't keep that penny shiny, I'm not sure who can.

Between weather, parties, and other commitments, we wound the year down a little on the slow side. December's numbers were a little weak, but we can start January strong. Here's the schedule:

- Saturday, January 13 10:00 am start, Two best ball net
- Thursday, January 18, 1:00 pm start Individual Stableford
- Saturday, January 27 10:00 am start Individual Gross followed by the club Two-person Team putting Championship.

This is the second year we've aligned a play day with the putting championship. It worked very well last year, as our participants had an advantage – their putters were already warmed up and dialed in! So please join us this year for this event and all of the other play days.

This month's shout-out goes to the kitchen and wait staff at the club. If you've not noticed, the mansion has been very busy through this holiday season with club events and private parties. These people work their tails off through the holiday season, and they do it with a smile and still greet everyone by name.

I've got to run now. I have to go trade in some old grimy pennies for bright shiny new ones. Happy new year, and may 2018 be your best yet.

Riverhill Women's Golf Association

The 2017 end of year luncheon was held December 15th with a delicious meal, entertainment by Maggie's House Band, and thanks from President, Diana Howard, to the women who served in office and who chaired tournament events in 2017. The exciting last announcement by Gill Davidson was to reveal Most Improved Player, Diana Howard.

Shown are: Vice President, Terry Terrell; Treasurer, Sue Steele; President, Diana Howard; Secretary, Rhonda Taylor

The first RWGA monthly meeting of 2018 will be Wednesday, January 10th at 10:00 a.m. with golf to follow at 11:00. The Ringer Board winners from 2017 will be announced and money will be collected for Ringer Board play in 2018. Ringer scores start with the first RWGA round played for the year with improvements on holes recorded during play throughout the year.

Please show up for the January meeting to catch up on the changes to Play Days and to the meeting schedule. New players and guests are invited to come and see where the fun starts.
